SECTION 2: Your Employment/Consulting/Volunteer Work

Report any employment or consulting, whether or not for compensation, for you and/or your spouse for the last two years preceding the date of filing. Do not include any compensated expert testimony as these are reported in another part of this form. **Don't forget to include your current employer as well as your spouse's employer.** You may indicate (S) for employment of your spouse. You should report any of the following positions that you hold, whether or not for compensation: employee, officer, director, trustee, general partner, proprietor, representative/executor of any business, consulting firm, non-profit, labor organization, or educational institution. Also include any organization or person with whom you are negotiating or have an arrangement concerning prospective employment. You may exclude unpaid positions with any religious, social, fraternal or political entities, or those solely of an honorary nature, but you have to include any positions held with professional societies. You may add additional pages as necessary. If you have **NO** employment at all, enter **NONE** below.

Organization (Name, City, State). If reporting consulting, Name of Project and Client.	Name of position and description of work. If you are employed by a consulting firm, indicate the firm's major practice areas, categories of principal clients, and the clients you or your spouse have dealt with directly or derived compensation from. If reporting independent consulting, provide a description and date(s) of the project.
Example: EastWest University, Anywhere, KS	Example: Dean, School of Environmental Studies
Example: ABC Corporation, Smallville, VA	Example: Consultant on toxicological effects of heavy metals in wastewater from company facilities July 2007-July 2011
University of Saskatchewan - Saskatoon, SK (John)	Professor - teaching and research
ENTRIX, Inc Okemos, MI (John)	environmental consulting clients: 3M, Dow Chemical Co., Pfizer, Tech Cominco, Syngenta
Giesy Ecotoxicology, Inc. Saskatoon, SK (corp. registered in Michigan) (John)	environmental consulting Clients: Syngenta
Elsevier Science Amsterdam, The Netherlands (John)	publisher Editor for Chemosphere Environmental Toxicology and Risk Assessment
Giesy Ecotoxicology, Inc. Saskatoon, SK (corp. registered in Michigan) spouse - Susan	office manager
John P. and Susan E. Giesy Foundation	charitable foundation president

OMB Control No. 2090-0029
Approval expires 05/31/2011Continuation of Section 2 (if needed). Otherwise, continue to Section 3

Organization (Name, City, State). If reporting consulting, Name of Project and Client.	Name of position and description of work. If you are employed by a consulting firm, indicate the firm's major practice areas, categories of principal clients, and the clients you or your spouse have dealt with directly or derived compensation from. If reporting independent consulting, provide a description and date(s) of the project.
John P. and Susan E. Giesy Foundation spouse	secretary-treasurer

OMI3 Control No. 2090-0029
Approval expires 05/31/2011**SECTION 3: Compensated Expert Testimony**

Report any expert testimony for you or your spouse for the last two years preceding the date of filing. You may indicate (S) for spouse. If you have **NO** compensated expert testimony, enter "**NONE**" below.

Client Name, City, State	Description & Date of Testimony. Include citation if available.
Example: XYZ law firm, Anytown, CA	Example: Provided expert testimony for ABC corporation (plaintiff) on effects of heavy metals in wastewater from company facilities. ABC Corporation v. XYZ, Civil Action No. 07-1234, Superior Court of Anywhere, July, 2007.
	NONE

OMB Control No. 2000-0029
Approval expires 05/31/2011

SECTION 4: Research Support/Project Funding

Report any source of research or project funding (e.g., grants, contracts, or other mechanism) that you or your spouse have received in the last two years preceding the date of filing from any source (including state, federal or local government, private sector companies, or non-profit organizations). You may indicate (S) for research support or project funding received for your spouse. Add any additional pages as necessary. If you have **NO** research support or project funding, enter "**NONE**" below.

Funding Organization (Name, City, State) If EPA, include Office	Exact Title of Project. Include start and completion dates. Please also indicate whether funded through grant, cooperative agreement, or contract. If a grant, include whether awarded competitively or not. If an EPA grant include Project Officer and grant number.
Example: Foundation for the Center for Tomorrow, Washington, DC	Example: Competitive Grant: "Mitigation Technologies for Volatile Organic Compounds" July 2007-July 2011
Example: EPA, Office of Research and Development, Cincinnati, OH	Example: Competitive Grant: "Health Effects of Long-Term Exposure to Air Pollutants in Nonsmoking Virginia Residents" Project Officer: Jane Doe. EPA Grant Number R123456. March 2000 - Feb. 2005
Dow Chemical Co.	Competitive Grant Field Studies in Support of the Titabawassee River Ecological Risk Assessment. 2004-2008
Hong Kong University Grants Council	Competitive Grant Establishment of the Center for Marine Environmental Research and Innovative Technology (MERIT). 2004-2009
US EPA	Competitive Grant Science to Achieve Results (STAR) Program on Computational Toxicology and Biology in Hazard Identification and Risk Assessment. Chemical Induced Changes in Gene Expression Patterns (GEPs) using a Small Fish Model: A Systems Approach. 2004-2007
Hong Kong University Research Grants Council	Competitive Grant Fates and Effects of PFCs and PBDEs in the environment. 2005-2006
Canada Research Chairs Program	Competitive Grant Establishment of the Canada Research Chair in Environmental Toxicology at the University of Saskatchewan. 2006-2011
US EPA	Competitive Grant Standardization and Refinement of the H285R Cell-Based Assay to Identify Chemical Modulators of Steroidogenesis and Aromatase Activity. 2006-2007
Dow Chemical Company	Competitive Grant Exposure of the Ecological Food Web in the Saginaw River to Polychlorinated dibenzofurans. 2006-2007

OMB Control No. 2090-0029
Approval expires 03/31/2011

SECTION 4: Research Support/Project Funding — continued

Report any source of research or project funding (e.g., grants, contracts, or other mechanism) that you or your spouse have received in the last two years preceding the date of filing from any source (including state, federal or local government, private sector companies, or non-profit organizations). You may indicate (S) for research support or project funding received for your spouse. Add any additional pages as necessary. If you have NO research support or project funding, enter "NONE" below.

Funding Organization (Name, City, State) If EPA, include Office	Exact Title of Project. Include start and completion dates. Please also indicate whether funded through grant, cooperative agreement, or contract. If a grant, include whether awarded competitively or not. If an EPA grant include Project Officer and grant number.
Example: Foundation for a Cleaner Tomorrow, Washington, DC	Example: Competitive Grant: "Mitigation Technologies for Volatile Organic Compounds" July 2007-July 2011
Example: EPA Office of Research and Development, Cincinnati, OH	Example: Competitive Grant: "Health Effects of Long-Term Exposure to Air Pollutants in Nonsmoking Virginia Residents" Project Officer: Jane Doe, EPA Grant Number R123456, March 2000 - Feb. 2007
Canadian Foundation for Innovation (CFI)	Competitive Grant Equipment grant to purchase LC/MS-MS mass spectrometer. 2006
Western Economic Diversification Canada	Competitive Grant Bioanalytical Toxicology Tools for Industry. Equipment/infrastructure grant (match funding for Canada Foundation for Innovation grant). 2007
Swedish Research Council for Environment, Agricultural Sciences	Competitive Grant Avian Developmental Toxicity of Perfluorochemicals-Species Sensitivity Differences and Mechanisms of Action. 2007-2009
Dow Chemical Company	Competitive Grant Examination of the Relative Potency (RcP) of two Dibenzofuran congeners (2,3,7,8-TCDF and 2,3,4,7,8-TCDF) in a Model Mammalian System. 2006-2008
3M Company	Competitive Grant Temporal and Spatial trends of Perfluorinated Chemicals in the Environment. 2007-2011
Dow Chemical Company	Competitive Grant Use of AhR Amino Acid Sequences to Predict the Relative Sensitivity of Birds to Polychlorinated Dibenzofuran (PCDF) and Polychlorinated Dibenzodioxin (PCDD) Congeners. 2007-2009
Dow Chemical Company	Competitive Grant In ovo Toxicity of Polychlorinated Dibenzofuran (PCDF) and Polychlorinated Dibenzodioxin (PCDD) Congeners to Birds. 2007-2009

OMB Control No. 2090-0029
Approval expires 05/31/2011

SECTION 4: Research Support/Project Funding - (Continued)

Report any source of research or project funding (e.g., grants, contracts, or other mechanism) that you or your spouse have received in the last two years preceding the date of filing from any source (including state, federal or local government, private sector companies, or non-profit organizations). You may indicate (S) for research support or project funding received for your spouse. Add any additional pages as necessary. If you have NO research support or project funding, enter "NONE" below.

Funding Organization (Name, City, State) If EPA, include Office	Exact Title of Project. Include start and completion dates. Please also indicate whether funded through grant, cooperative agreement, or contract. If a grant, include whether awarded competitively or not. If an EPA grant include Project Officer and grant number.
Example: Foundation for a Cleaner Tomorrow, Washington, DC	Example: Competitive Grant: "Mitigation Technologies for Volatile Organic Compounds" July 2007-July 2011
Example: EPA Office of Research and Development, Cincinnati, OH	Example: Competitive Grant: "Health Effects of Long-Term Exposure to Air Pollutants in Nonsmoking Virginia Residents" Project Officer: Jane Doe. EPA Grant Number R123456. March 2000 - Feb. 2003
Hong Kong University Research Grants Council	Competitive Grant Functional relationship between HIF and 3-beta-HSD2 in zebrafish: A gain and loss-of-function study. 2007-2010
Hong Kong University Research Grants Council	Competitive Grant Measurement and assessment of perfluorinated compounds in waterbirds and marine cetaceans in Hong Kong. 2007-2009
Saskatchewan Health Research Foundation	Competitive Grant Intrauterine Antecedents of Inflammatory Mediated Disease. 2007-2009
Teckcominco, Inc.	Competitive Grant Toxicological Assessment of White Sturgeon (<i>Acipenser transmontana</i>) in the Upper Columbia River - Water Related Issues. 2008
Mid Saskatchewan Regional Economic and Co-operative Development	Competitive Grant Investigation of Nutrient Sources and Causes of Algal Blooms in Lake Diefenbaker, Saskatchewan. 2008-2009
Chinese National Basic Research Project (973 Program)	Competitive Grant Ecological Risk Assessment and Control Strategy of Regional Mixed Pollution. 2007-2011
Chinese National Science Support Project	Competitive Grant Integrated Technologies and Mechanism Design for POPs Control and Treatment. 2007-2010

OMB Control No. 2090-0029
Approval expires 05/31/2011

SECTION 4: Research Support/Project Funding

(continued)

Report any source of research or project funding (e.g., grants, contracts, or other mechanism) that you or your spouse have received in the last two years preceding the date of filing from any source (including state, federal or local government, private sector companies, or non-profit organizations). You may indicate (S) for research support or project funding received for your spouse. Add any additional pages as necessary. If you have NO research support or project funding, enter "NONE" below.

Nov 9-10

SECTION 6: Supplemental Ethics Questions for Special Government Employees Serving on Advisory Panel/Committees/Subcommittees

If you are serving or are a candidate to serve on an advisory panel/committee/subcommittee, please answer the following questions:

Do you know of any reason that you might be unable to provide impartial advice on the matter to come before the panel/committee/subcommittee or any reason that your impartiality in the matter might be questioned?

Not applicable

Have you had any previous involvement with the review document(s) under consideration including authorship, collaboration with the authors, or previous peer review functions? If so, please identify and describe that involvement.

Not applicable

Have you served on previous advisory panels, committees or subcommittees that have addressed the topic under consideration? If so, please identify those activities.

Not applicable

Have you made any public statements (written or oral) on the issue that would indicate to an observer that you have taken a position on the issue under consideration? If so, please identify those statements.

Not applicable

You may attach extra sheets if needed.
